

The Coordinated Services Team (CST) Initiative: Care Coordination Fundamentals Workshop

Thursday, January 24th, 9:00 – 4:00 (*welcome/sign-in 8:45 – 9:00*), and
Friday, January 25th, 2019, 8:30 – 3:30

Location:

Sauk County Human Services (lower level conference room)
505 Broadway Street, Baraboo, WI

Lodging: If lodging is needed, participants are responsible for room reservations and payment.

Cost: Training expenses, including materials are being sponsored/covered by the Coordinated Services Team Initiative.

Travel, lodging, and meal expenses are the responsibility of the participant.

Workshop Facilitators:

Workshop facilitated by Jessica Beauchamp, LCSW, SAS, and Sara Shaver, LMFT

Workshop Overview:

This two-day workshop is intended for care coordinators and potential team members who wish to learn the fundamentals of the wraparound process used in CST with an emphasis on care coordination and team facilitation responsibilities and skills.

This interactive workshop will guide participants through the principles of wraparound; building trust with families and youth; development of the interagency team; care coordination responsibilities; and team facilitation skills including conflict management. Through hands-on activities, participants will learn how to guide multi-agency family and youth-centered teams through the process of completing a strength-based assessment, interagency plan of care, plan for crisis, and transition out of the formal team process.

Continuing Education Credit:

Participants will be provided with a certificate, verifying the workshop date, topic, location, and number of hours. This certificate, along with the workshop objectives and agenda (also provided at the workshop) may be used as proof of continuing education, depending on the specific requirements of your profession/licensure.

Registration:

Please register online: www.wicollaborative.org/care-coordination-workshop.html

by Wednesday, January 9th, 2019

Space is limited, please consider registering early.
