

The Coordinated Services Team Initiative Northern Regional Meeting

Tuesday, October 6th, 2015
Department of Health Services Northern Regional Office
Rhinelander, WI

Summary of 11 Meeting Evaluations (19 people attended)

1. What is your overall evaluation of the meeting?

	1 Unsatisfactory	2 Satisfactory	3 Good	4 Very Good	5 Excellent
# of Responses:	0	0	2	4	5

Average Score: 4.3

2. Was the meeting relevant to your needs?

	Yes	No	Somewhat
# of Responses:	9	0	2

3. What aspect or topic did you find the most helpful?

- (3) All was helpful.
- (3) Role play team meeting.
- (2) Small group discussions on common issues - privacy rights, divorced couple
- Review is always important. So is networking and seeing how other sites function.
- Conflict management

4. What would you suggest to improve the meeting?

- (2) Nothing / none
- (2) More discussion at the beginning.
- More situations that actually happen and work through them.
- More advanced issues/skills
- Really liked looking at specific cases and sharing of ideas
- More free food.

5. Please evaluate Skill Building Workshop / Learning Collaborative session using a scale of 1-5.

1 – Poor 3 – Average 5 - Excellent

Topic	Presenters' Knowledge of material	Relevance of content	Presentation/ Organization
Team Facilitation	4.8	4.6	4.7

(Average scores shown above)

6. What specific training and technical assistance topics would you like to see covered at future CST Regional Meetings?

- More on reporting; conflict resolution
- Secondary trauma
- How to combine CCS and CST. So glad to hear this is being worked on.
- More regional, less state.
