

# CST Contract Advisory Meeting

Virtual via Zoom

December 14, 2021  
9:00 A.M. to 4:00 P.M.

## NIATx Change Leader Academy

Learn tools you can immediately use to improve outcomes on teams, in programs, and on coordinating committees.

### What is the NIATx Virtual Change Leader Academy?

- A one-day training session with practical peer discussions around CST challenges and methods/tools for adapting using the NIATx process improvement model.

### What is the NIATx model of process improvement?

- A structured, team-based approach to facilitate change that relies on the power of making small changes to improve your CST efforts quickly.

### You choose what you want to improve. Sample change project aims include:

1. Increase natural supports
2. Improve targeted school behaviors
3. Improve cultural and linguistic responsiveness
4. Increase community partnerships.
5. Or create your own aim

### Presenters:

**Scott Gatzke** is Director of Dissemination for the Great Lakes MHTTC. He is a NIATx trainer/coach with over 25 years' experience in process design and quality improvement in manufacturing, healthcare & non-profit organizations.
