

Wisconsin Office of
Children's
Mental Health

Wisconsin Office of Children's Mental Health
April 2015

Action!

Integrate and Improve

- Collective Impact
 - ✓ Increase Access
 - ✓ Increase TIC
 - ✓ Increase Resilience
- State agencies collaborative meetings

Innovate

- Families and youth as leaders
- ACEs and TIC as foundation
- Public health approach as conceptual model

Wisconsin Office of Children's Mental Health (OCMH) Website

Learn more about Integrate, Improve
and Innovate at our website:

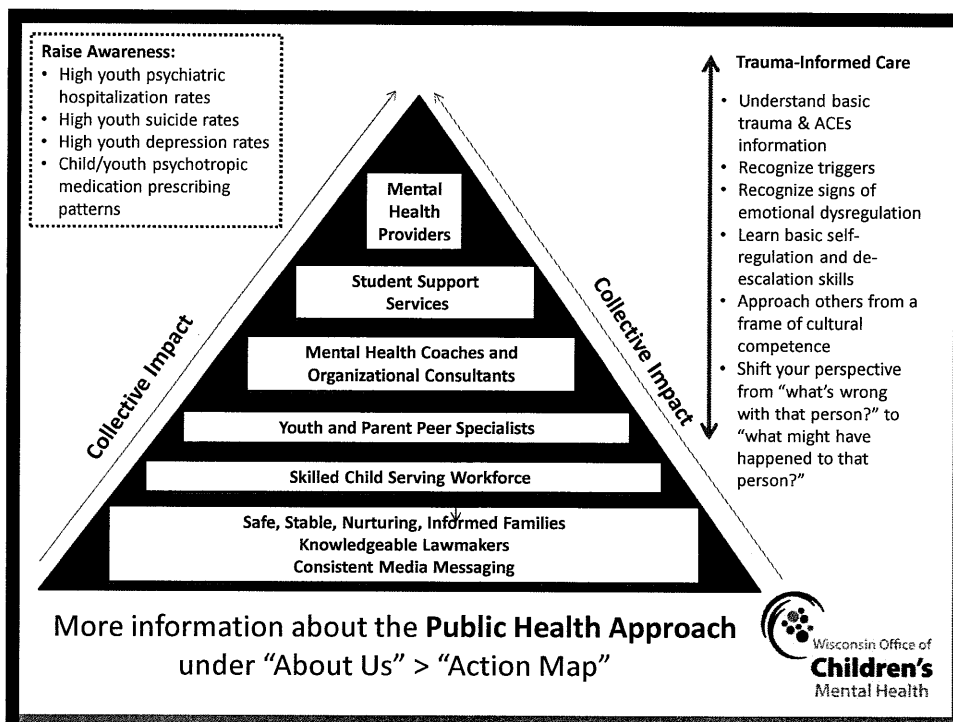

<http://children.wi.gov>

Children's Mental Health Collective Impact (CMCHI)

Use the same website to explore our
backbone role in the CMHCI activities
and the leadership roles assumed by
parents and youth

And Don't Miss the OCMH 2015 Report's Appendix Material

- Collective Impact Partners' Language Guide
- Agencies' and Tribal Financial Tables
- Children's Mental Health Collective Impact Recommendations
- Missouri Model of TIC Implementation
- TIC and EBP County and Tribal Activity Table
- System Collaboration Table
- Emergency Detention FAQs
- Crisis Workgroup Summary and Recommendations
- Crisis Response Continuum of Services
