

# The Coordinated Services Team Initiative Southeast Regional Meeting

---

Tuesday, March 24<sup>th</sup>, 2015  
Department of Health Services Southeast Regional Office  
Waukesha, WI

## ***Summary of 15 Meeting Evaluations (14 site representatives attended)***

### 1. What is your overall evaluation of the meeting?

	<b>1</b> Unsatisfactory	<b>2</b> Satisfactory	<b>3</b> Good	<b>4</b> Very Good	<b>5</b> Excellent
<b># of Responses:</b>	0	0	4	7	4

**Average Score:** 4.0

### 2. Was the meeting relevant to your needs?

	<b>Yes</b>	<b>No</b>	<b>Somewhat</b>
<b># of Responses:</b>	11	0	4

### 3. What aspect or topic did you find the most helpful?

- (4) Trauma Informed Care (TIC) as it relates to CST
- (2) TIC discussion
- Learned a lot from the PowerPoint
- All
- Breakdown of five guided principles. Implementation.
- Sharing ideas and learning from other CST sites about what they do that works.
- Purple sheet trauma info sheet
- First portion of TIC training/education
- Ideas from other counties. The activity.

### 4. What would you suggest to improve the meeting?

- More direction for the activity - count off.
- More interactive activities
- Resources for trauma-informed assessments
- better preparation
- PowerPoint dragged on a bit - a bit redundant
- Branch out from CST team process - if possible, get more specific than basic team outline. Ending activity took a bit too long.
- More in-depth longer time specifically focused on TIC

**5. Please evaluate Skill Building Workshop and Learning Collaborative sessions using a scale of 1 – 5.**

**1 – Poor      3 – Average      5 - Excellent**

	<b>Presenters' Knowledge of material</b>	<b>Relevance of content</b>	<b>Presentation/ Organization</b>
Morning TIC / CST Workshop	4.7	4.5	4.2
Afternoon TIC / CST Group Activity	4.4	4.5	4.3

*(Average scores shown above)*

**6. Please add any additional comments/suggestions you might have:**

- What various counties are doing
- CCS and CST collaborations. Grant writing/funding planning for annual RFP
- Targeted at leaders - directors to change agency perspective
- Overcoming barriers / community outreach strategies.
- Integration of services with CST teams
- making plans of care unique
